

SIDHARTH K V

PROFESSIONAL SUMMARY

Skilled 3D artist prepared for this role with strong ability to create detailed and realistic models. Proven track record of delivering high-quality results in team setting. Expertise in industry-standard software, including Blender and Maya, with focus on collaboration and flexibility to meet evolving project needs. Known for reliability and consistent achievement of project goals.

SKILLS

- 3d Modeling
- Animation
- Rigging skills
- Hand sketching
- 3d Character Creation
- Asset creation
- Lighting techniques
- Illustration

EXPERIENCE

3D MODELER/3D ANIMATOR 12/2022 to 03/2026

SmartDeen Pvt Ltd, Singapore (Remote)

- Assisted in developing 3D models, environments, and assets with focus on texturing and lighting.
- Supported animation processes of assets while maintaining clean and optimized topology.
- Aided in enhancing rendering workflows to achieve high-quality results with reduced render times.

3D MODELER 08/2025 to Current

Founding Day, Thrissur, India (Remote)

- Created detailed 3D models for various projects using Autodesk Maya and Blender.
- Collaborated with cross-functional teams to refine design concepts and enhance visual quality.
- Developed textures and materials using Substance painter, ensuring realistic representations in final renderings.
- Implemented feedback from project leads to improve model accuracy and functionality.

3D MODELER/3D ANIMATOR 09/2025 to 12/2025

Superhero Learning, Kollam, India (Remote)

- Developed 3D models using industry-standard software, ensuring design accuracy and aesthetic appeal.

EDUCATION

IIFA Lancaster Degree College, Bengaluru, India

Bsc.Game Designing And Development, Game Design, 07/2025

- Final Grade: 89.6%
